

Craft: Cat or Dog Face

Turn an ordinary paper plate into a pretty kitty or puppy face! A fun and easy craft for kids.

What you need:

- Paper Plate
- Paint
- Construction paper
- PomPoms
- 2 purple sparkle chenille stems
- Glitter glue
- Paintbrush
- Scissors
- Craft Glue

Steps:

1. Cut ears from the yellow construction paper. Attach to the back of the paper plate.
2. Cut eyes from the black and white construction paper. Attach to the paper plate below the ears where the cat's eye's would be.
3. Glue any color pompom in the middle of the plate for the nose.
4. Cut the purple sparkle chenille stems in half and glue next to the nose to form the whiskers.
5. Decorate the inside of the ears with purple glitter glue, draw a green glitter glue circle in the center of each eye and add a pink glitter glue mouth.
6. Make your paper plate into a mask by adding a popsicle stick to the bottom and gluing it into place.
