## SECTION 1

### PURPOSE

An effective and well-qualified system staff is the most vital part of providing excellent services to member libraries. This Personnel Policy Handbook is designed to give guidance to the system director in the selection, training, and dismissal of staff members. It shall also serve as a guide to the System Board and the Executive Committee in the selection, training, and dismissal of the System Director. It shall further serve as a means for the staff members, the System Director, and the System Board to understand what is expected of system employees. These personnel policies are to serve as a means of strengthening communication between staff, the System Director, and the System Board. These policies shall be applied consistently and equitably.

This Handbook is not intended as and does not constitute a contract of employment, either expressed or implied. The System Board reserves the right to change any of these policies at any time. No one, other than the System Board, has the authority to change these policies. The personnel policies in this Handbook supersede all previous personnel policies.

## SECTION 2

### GOVERNANCE AND ORGANIZATION

Northwest Kansas Library System (NWKLS) was established under the authority of K.S.A. 75-2547 *et seq.* It is governed by a System Board, which has the following duties:

- adopts the annual budget and plan of service;
- approves the officers elected by the Executive Committee; and
- amends the bylaws.

All other duties of governance are vested in the Executive Committee by the System Board bylaws. System headquarters staff is organized according to the Chart of Organization.

## SECTION 3

### STAFFING

#### **3.1 Employment Type Definitions**

For the purposes of this policy, a professional employee shall be defined as one possessing a Master of Library Science degree and/or who functions as a library consultant. Nonprofessionals are those employees who do not meet the qualifications for a professional classification. The position of System Director is the only position defined as exempt under the Fair Labor Standards Act (FLSA).

#### **3.2 Employment Status Definitions**

- Full-time Permanent Employees work 40 hours per week without a predetermined separation date.
- Full-time Temporary Employees work 40 hours per week with a predetermined separation date.

- Part-time Permanent Employees work less than 40 hours per week without a predetermined separation date.
- Part-time Temporary Employees work less than 40 hours per week with a predetermined separation date.

Temporary personnel may be hired to positions created because of a temporary need, such as summer help or special projects and have a predetermined separation date. Temporary personnel, whether full or part time, will not be eligible for any benefits.

### **3.3 Job Descriptions**

A job description has been developed for each position on the NWKLS staff.

### **3.4 Salary**

All starting salaries or wages will be negotiable but will be at least equal to the current federal minimum wage. When economically feasible, annual increases will be given. Factors which will be considered in determining increases are:

- (a) available fiscal resources and economic feasibility; and
- (b) recommendations of the System Director based on the employee's performance evaluation.

### **3.5 Volunteers**

NWKLS will recruit and utilize volunteers whenever possible for the efficient operation of the System. Volunteers will not be used to replace or reduce hours of the regular staff. All volunteers will be covered on the System's workers' compensation policy.

## **SECTION 4**

### **EMPLOYMENT**

#### **4.1 Hiring Authority**

Appointments to staff positions are made by the System Director in accordance with the power vested in him or her by the System Board. Selection and promotion of staff members shall be based solely on merit. Appointments, promotions, and salary increases shall be made without regard to race, color, disability, sex, age, religion, national origin, or any other basis prohibited by law.

All employees of NWKLS are "employees-at-will." The System may terminate the employment relationship at any time, with or without cause. Likewise, employees may also terminate the employment relationship at any time, with or without cause.

The Executive Committee will appoint the System Director. Pursuant to K.A.R. 54-1-7, the system director must be certified by the State Library of Kansas Board.

#### **4.2 Nepotism**

Employment of more than one member of an immediate family is discouraged. In the event two or more members of an immediate family are employed by Northwest Kansas Library System, they shall not work in the same department.

#### **4.3 Training Period**

The first six (6) months of each new employee's tenure constitutes the training period. A review of the employee's performance will be made during the training period. A formal written evaluation of all new employees will be made prior to the end of the training period.

#### **4.4 Performance Review**

The performance evaluation is the formal assessment by the System Director regarding the quality of work performance. The Executive Committee will evaluate the System Director a minimum of every three years. A new staff member's first formal evaluation will take place prior to the end of the training period, and reviews will be made at least every other year thereafter.

The report will be discussed between the employee and the System Director with all persons involved signing the report.

#### **4.5 Resignations**

Resignations are to be made in writing to the System Director. Professional personnel are requested to give twenty (20) working days' notice of intended resignation date.

Nonprofessional personnel are requested to give a ten (10) working day notice. Accrued vacation time will not be counted in the notification period.

#### **4.6 Dismissals**

The System Director shall have the authority to discipline employees for violations of work rules and inefficiency on the job. Discipline may take the form of one or more of the following: verbal warning, written reprimand, additional work or training requirements, demotion, suspension, or termination.

If the employee fails to obey work rules or perform his job efficiently, a meeting may be arranged between the employee, and the System Director. Methods of improving the employee's performance or conduct will be discussed at such a meeting. A meeting is not required, however, before discipline is imposed.

The following offenses shall not be tolerated and shall result in immediate dismissal:

- (a) Use of alcohol beverages or illegal drugs at work;
- (b) Appearing for work while under the influence of alcohol or illegal drugs;
- (c) Willful destruction of Library System property;
- (d) Theft of Library System property or funds; and
- (e) Failure to obey a direct order of the System Director.

This list is not exhaustive and other offenses may also result in immediate dismissal. The foregoing does not alter the employment-at-will relationship between NWKLS and its employees.

## SECTION 5

### GRIEVANCE PROCEDURE

The following procedure shall be used in the event a dispute arises:

- (a) The employee presenting the grievance shall seek a solution through a conversation with or a written notice to the System Director.
- (b) The employee, if not satisfied with the System Director's decision, may appeal in writing to the Executive Committee.
- (c) The Executive Committee will receive a written statement from the employee explaining the dispute and shall hear the grievance at the next scheduled meeting. Special meetings may be called when the Chairman deems necessary. The decision of the Executive Committee shall be final.

All grievances will be settled promptly by the System Director and the Executive Committee.

## SECTION 6

### LEAVES OF ABSENCE

#### 6.1 Definitions

For the purposes of leaves and vacations, a day is defined as one regular working day consisting of one-fifth (1/5th) of the total number of hours worked per week.

#### 6.2 Sick Leave

Full-time and Part-time Permanent Employees who work at least twenty (20) hours per week are allowed paid sick leave.

Sick leave is earned at the rate of one twenty-sixth (1/26<sup>th</sup>) of the annual amount of thirteen (13) normal working days each pay period to a maximum of sixty (60) working days for Full-time Permanent Employees. **(According to the statement above, Full-time Permanent Employees would earn 4 hours per pay period to a maximum of 480 hours)**

**13 working days x \_\_\_ working hours/day = \_\_\_ hrs./year**  
**\_\_\_ hrs./year ÷ 26 pay periods = \_\_\_ /pay period**  
**60 maximum days x \_\_\_ working hours/day = maximum hrs.**

*\*The above formula is scalable for Part-time Permanent Employees based on the number of hours worked per day.*

Sick leave cannot be taken before it is earned (*i.e.*, a month of employment must have elapsed before a day of sick leave is earned and can be taken) and should not be treated like vacation

time. Sick leave can be used for employee and immediate family sickness and medical appointments.

No accumulated sick leave will be paid at the termination of employment. The minimum amount of sick leave which may be taken is one (1) hour.

Employees may share sick leave, however; the employee providing the sick leave must have accumulated to a maximum of sixty (60) working days, unless otherwise authorized by the Director, and the employee receiving sick leave needs to exhaust all sick and vacation leave before sharing can occur.

**6.3 Maternity/Paternity Leave**

Maximum two (2) months maternity/paternity leave without pay will be granted. Parents may utilize five working days of accumulated sick leave at the birth of a child. Special arrangements for longer leave periods may be possible under unusual circumstances and with the System Director's approval.

**6.4 Bereavement Leave**

Leave with pay for purposes of attending the funeral of family members may be granted at the discretion of the System Director.

**6.5 Jury Duty**

Employees shall be granted leave with pay when required to be absent to serve as a court witness and/or on jury duty. Any employee on a jury panel or serving as a court witness shall return to work for the balance of the day when excused by the court from further attendance.

**6.6 Military Leave**

All employees of the System, other than temporary employees, who are members of the National Guard, organized reserves or any component part of the military, naval, or air forces of Kansas or the United States, or who may be otherwise inducted into the military service of Kansas or of the United States, shall, when ordered by proper authority to active or federal service, be entitled to a leave of absence without pay from employment for the period of such service without loss of status or seniority. The System Director may make a temporary appointment to fill any vacancy created by such leave of absence.

Full-time employees on such leave and who have been offered their regular position with the System, shall resume their regular duties after separation from military service provided they have received an honorable discharge. Employees not resuming their duties within thirty (30) days shall be deemed to have resigned.

Those employees who are members of the regular reserve components of the Armed Forces or the National Guard may be granted two (2) weeks leave for active duty training. This leave may be taken as regular vacation leave with pay or as leave without pay.

## 6.7 Leave without Pay

Leaves without pay for study, illness, maternity or other reason may be allowed by the System Director. An employee must expend all eligible leave before leave without pay can be considered. The decision on whether the absence will be a leave or a resignation with the privilege of reapplying for employment shall depend upon whether the workload can be carried on by remaining staff or a temporary substitute can be hired.

# SECTION 7

## FRINGE BENEFITS

### 7.1 Vacations

Annual vacation time with pay is granted to all Full-time Permanent Employees and Part-time Permanent Employees who work at least twenty (20) hours per week. No vacation shall be granted until three (3) months of service have been completed.

Full-time Permanent Nonprofessionals Employees shall accumulate, from the beginning of employment, one twenty-sixth (1/26th) of their annual amount per pay period to a maximum of thirteen (13) days with less than five (5) years of service and to a maximum of nineteen (19.5) days with five (5) or more years of service. **(According to the statement above, Full-time Permanent Nonprofessional Employees would earn 4 hours of vacation per pay period before 5 years of employment with a maximum of 104.)** \*19.5 days of vacation is a longevity increase of 50%.

#### Less than 5 years of service

13 working days x \_\_\_ working hours/day = \_\_\_ hrs./year

\_\_\_ hrs./year ÷ 26 pay periods = \_\_\_ /pay period

13 maximum days x \_\_\_ working hours/day = maximum hrs.

#### More than 5 years of service

19.5 working days x \_\_\_ working hours/day = \_\_\_ hrs./year

\_\_\_ hrs./year ÷ 26 pay periods = \_\_\_ /pay period

19.5 maximum days x \_\_\_ working hours/day = maximum hrs.

*\*The above formula is scalable for Part-time Permanent Nonprofessional Employees based on the number of hours worked per day.*

Professionals shall accumulate, from the beginning of employment, one twenty-sixth (1/26th) of their annual amount per pay period to a maximum of nineteen (19.5) days with less than five (5) years of service and to a maximum of twenty-six (26) days with five (5) or more years of service. **(According to the statement above, Full-time Permanent Professional Employees would earn 6 hours of vacation per pay period before 5 years of employment with a maximum of 156 hours.)** \*26 days of vacation is a longevity increase of 50%.

**Less than 5 years of service**

19.5 working days x \_\_\_ working hours/day = \_\_\_ hrs./year  
\_\_\_ hrs./year ÷ 26 pay periods = \_\_\_ /pay period  
19.5 maximum days x \_\_\_ working hours/day = maximum hrs.

**More than 5 years of service**

26 working days x \_\_\_ working hours/day = \_\_\_ hrs./year  
\_\_\_ hrs./year ÷ 26 pay periods = \_\_\_ /pay period  
26 maximum days x \_\_\_ working hours/day = maximum hrs.

*\*The above formula is scalable for Part-time Permanent Professional Employees based on the number of hours worked per day.*

All vacations are to be scheduled with the System Director or Assistant Director utilizing the staff calendar to avoid conflicts and to maintain operating efficiency. If a holiday should fall during a vacation period, it is not counted against the vacation allowance.

Any unused vacation accumulated at the time of an employee’s resignation shall be given in the form of compensation as if the employee were still on the payroll for that amount of time. Lump sum payments may be made at the discretion of the System Director.

Minimum vacation time which may be taken is one-half (1/2) hour.

**7.2 Health Insurance**

All full-time and part-time staff members employed in a permanent position are eligible to participate in State Health Insurance through Northwest Kansas Library System. Participation must be certified during the employees first thirty (30) days. The effective date of insurance would be the first day of the month following thirty (30) days of employment.

**7.3 Kansas Public Employee Retirement System (KPERS)**

KPERS is a state retirement system that provides benefits upon retirement. All employees in a position that requires one thousand (1,000) hours annually are automatically enrolled upon employment. Joint contributions by the employee and the System are made at the rate set by KPERS. KPERS also provides life insurance coverage.

In addition to the life insurance provided by KPERS for all KPERS-qualified staff members, all KPERS-qualified staff members may purchase additional optional group life insurance for themselves, their spouse, and/or their children. The cost of such additional optional group life insurance will be deducted from the employee’s salary or wages.

**7.4 Tax Sheltered Annuity**

All staff members may elect to have a portion of their salary or wages, up to the maximum statutory limit, deducted, and invested in a tax-sheltered annuity. Staff members should review their salary reduction agreements with their financial advisor in the fall. Any changes to the

salary reduction agreement needs to be received by the business manager by December 20<sup>th</sup> for changes to be made with the first payroll in January.

**7.5 Director's Benefits**

The System Director shall have the right to negotiate benefits with the Executive Committee.

## SECTION 8 WORK SCHEDULE

**8.1 Definitions**

- (a) A work week shall consist of forty (40) hours for all full-time employees.
- (b) Part-time employees are those who regularly work less than forty (40) hours.
- (c) A work week is a one hundred sixty-eight (168) consecutive hour period beginning Friday at 12:00 a.m. and running until the following Thursday at 11:59 p.m.
- (d) A pay period is the time for which an employee is paid. The pay period will be every two (2) weeks.
- (e) Exempt employees are those who are not covered by the FLSA by virtue of an executive, administrative, professional, or outside sales position. At NWKLS, this is the System Director. All others are covered by the FLSA.

**8.2 Breaks**

Staff members shall be entitled to one (1) fifteen (15) minute break for every four (4) consecutive hours worked.

**8.3 Payday**

Pay checks will be distributed every two (2) weeks on the second (2<sup>nd</sup>) working day following the end of the pay period.

**8.4 Fair Labor Standards Act Compliance**

The System will comply with Fair Labor Standards Act (FLSA) regulations on minimum wage and overtime.

Employees will have the right to “flex” their daily schedules so long as the efficiency of the operation is not impaired. The System Director or Assistant Director must approve any changes in schedule. The number of hours worked in a day is not regulated by FLSA. An employee may work as many hours in any one day as is desired, subject to the prior approval of the System Director or Assistant Director. Overtime occurs if the employee works in excess of forty (40) hours in a work week.

It is the right and responsibility of the System Director or Assistant Director to schedule staff members in the System so that the FLSA limits are complied with and so the department functions effectively. Cash payment of overtime, except as is required by law, will not be made.

Whenever possible, full-time employees who work extra hours on any one day will be given time off within the pay period so that their total hours worked do not exceed forty (40) in a week. When an employee works more than forty (40) hours in the work week, the employee shall earn compensatory time for the hours exceeding forty (40) pursuant to the FLSA at the rate of time and one-half, to a maximum of 240 hours. Compensatory time off may be requested and taken by the employee as desired, unless the System Director or Assistant Director determines that the time requested off would create an undue hardship to NWKLS because of other factors.

Time sheets showing the actual time worked (in numbers of hours) must be submitted to the business office on the last working day of the pay period. Employees will not be paid for time not recorded.

Part-time staff members may work extra hours (up to forty [40] per week). Such extra hours must be approved by the System Director or Assistant Director prior to the work.

The System Director may have to work more than forty (40) hours in a work week. These extra hours may be taken off when possible, but do not have to be taken within the work week. As an exempt employee, the System Director does not earn compensatory time as defined in the FLSA.

Travel time for all personnel is counted in the hours worked if the employee is away from Norton on job-related activity, such as meetings.

Sick leave, vacation leave, and other leave is not work time and is not counted in determining whether the employee has worked more than forty (40) hours in the work week. No compensatory time is earned unless the employee works more than forty (40) hours in the work week (not counting leave time taken during the week).

## **8.5 Holidays**

Full-time Permanent and Part-time Permanent Employees working a minimum of twenty (20) hours per week are entitled to the following holidays:

New Year's Day	Labor Day
Good Friday	Thanksgiving and the day after
Memorial Day	Christmas Eve Day
July 4	Christmas Day
The employee's birthday	

And an extra day either at Christmas or at New Year's to be scheduled by the System Director so that sufficient personnel are available to carry on business between Christmas and New Year's Day. If a holiday falls on a weekend, the working day closest to it will be given as the holiday.

Part-time Permanent Employees will only receive the holidays that fall on their designated work days and will receive the number of hours paid based on hours worked per week. (Part-time Permanent Employees working twenty (20) hours per week would get 4 hours of paid time.)

## SECTION 9

## **SECTION 11**

### **INCLEMENT WEATHER**

The System shall be open for business as long as the System Director deems it safe for employees to travel. In the event the System is closed, the System Director will notify all employees and KQNK. When the System is closed for weather conditions, all employees will be paid in the normal manner. In the event the System is open, and an employee cannot get to work due to weather, the employee may choose to take a day of vacation pay, make the time up, or take a day of unpaid leave. Time off for inclement weather is not equivalent to holiday leave. All employees are not guaranteed the same number of hours off for inclement weather, dependent upon their schedule.

## **SECTION 12**

### **SMOKING**

In accordance with the Kansas Indoor Clean Air Act (KSA 21-6109 through 21-6116), all NWKLS employees shall adhere to the following policy:

No smoking is permitted anywhere inside or outside (within a 10-foot radius of any doorway, open window, or air intake) of the building housing Northwest Kansas Library System. Smoking is also prohibited in all System vehicles.

No smoking signage will be posted in prohibited areas in accordance with the Kansas Indoor Clean Air Act (KSA 21-6109 through 21-6116).

Racial and sexual harassment is a violation of the Civil Rights Act of 1964 and the policies of the System. Such harassment creates an intimidating, hostile, or offensive working environment not conducive to efficient System operations. Workers violating the policy opposing racial and sexual harassment will be subject to disciplinary action up to and including dismissal. Any employee who believes that he or she has been or is being subjected to racial or sexual harassment shall promptly report the problem to the System Director or to the Board Chairman if the complaint is against the System Director. All complaints shall be promptly and confidentially investigated, and prompt corrective action shall be taken, if necessary.

## SECTION 16

### AMERICANS WITH DISABILITIES ACT

It is the intent of the System to provide reasonable accommodations to a disabled employee or prospective employee capable of performing the essential functions of a particular position.

## SECTION 17

Personal use of NWKLS computers and tablets or employee owned computers and tablets should not interfere with any work-related activity.

With the exception of patron and circulation records, no assumption should be made that any information transmitted or stored electronically is confidential or private. System employees should respect the right of others to privacy and not attempt to gain access to any private files or messages not addressed to them. But authorized personnel may find it necessary to access e-mail and related information stored on NWKLS computers for reasons to do with System business or for legal reasons. All employees waive any right to privacy in e-mail messages and computer files on NWKLS computers and consent to the access and disclosure of such files by authorized System personnel.

NWKLS computers may not be used in a way that is disruptive to the operation of the System or offensive to others. The use of e-mail for transmission of information disparaging to others based on race, national origin, sex, sexual orientation, age, disability, religion, or political beliefs is not permitted under any circumstances. Electronic mail cannot be used to solicit or proselytize others for commercial ventures, religious or political causes, or personal gain.

The toll-free line is for System business only.

Staff using the System fax machine for personal business will pay the same rate paid by the public. Staff using the System copier for personal reasons will pay the multiple-copy rate, no matter how many copies are made.
